

# Your three Vital safeguards.

- A vote for the Liberal candidate Rosemary Varty on Saturday August 17 gives you three vital safeguards in the Upper House because the Liberals will:
1. Ensure Mr. Cain's government honours its pre-election promise not to increase any State tax or charge beyond the CPI. That's the first Liberal safeguard.
  2. Amend or reject any legislation brought in by the Labor Government that discriminates against non-unionists in favour of unionists or compulsory unionism. That's the second Liberal safeguard.
  3. Not block supply in the Upper House. That's the third Liberal safeguard.

Only a vote for Rosemary Varty will provide you with these vital safeguards.
