Dear Slim,

On the 2nd and 3rd February, 1985, the Mountain Cattlemen's Association of Victoria will be having their Annual Get-together near Omeo.

We have been holding this weekend fixture for over ten years and for the past four or five years it has attracted an average of 1,000 people and on the Saturday evening a barbecue and entertainment is provided.

Ken Connley, who is one of our members, spoke to you at Bairnsdale and said that you expressed some interest in being able to be with us and we would be delighted if you could be.

In your reply, please outline details of fee, availability of backing band etc.

I look forward to your early reply.

Yours sincerely,

Per:

JAMES A. COMMINS.
President.
