

James A. Commins
President

Mrs. C. Aston
Central Secretary

June 9, 1982.

Mr. John Holmes
Department of Agriculture and Forestry
University of Melbourne
Grattan Street
CARLTON. VIC. 3053.

Dear Mr. Holmes,

At a recent meeting of our Association, it was decided to donate one (1) calf to the current research you are undertaking.

Our members, as mentioned in previous conversation with you, are happy to give what assistance they can should you require it.

Wishing you success in your venture.

Yours faithfully,

MRS. CORAL ASTON
